FROM : [REDACTED]

Les Aspin (D., Wis.)

REFERENCE : OLC 78-2367, 27 June 1978

1. Reference request from Representative Les Aspin concerns two current operational matters connected with the [REDACTED] Station. It is believed that the source of Representative Aspin's information is Ambassador to [REDACTED] [REDACTED] In May, Representative Aspin, [REDACTED] and I had a breakfast meeting with the DCI.

2. Concerning the two requests from Representative Aspin, a suggested reply follows:

a. The first case in which a permanent resident alien was discovered to have serious Soviet connections has been resolved. The case in question is one in which there was initially a lack of sufficient background information on the permanent resident alien to enable us to make a judgement as to the proper procedure to be followed in pursuing an investigation of the case. Once the background and details of the case were given to us by the FBI, we were able to pursue it.
